Hi Ksenija,

Please find attached the AstroTurf site visit notes. Nicole didn't want me to add the photos we took without getting permission from AstroTurf first, so they are not included.

Hi Nicole,

Attached are our notes from the [REDACTED] facility. Like with other notes from tire processing facilities, we would only share these with Jackie. Should anything be of interest for the study, we would check it with the facility. (Chris, correct me if I am wrong, but internal documents that stay between federal agencies are not subject to FOIA requests?)
